

Community Engagement Cluster:

Overview of the Office of Community Partnerships

Mission

The Office of Community Partnerships (OCP) is a bridge between our diverse community residents and organizations and the County government.

Core Functions

Community Outreach

- Activities**
- Maintains liaisons to various diverse communities
 - Sponsor community and outreach events.
 - Engage in dialogue with stakeholders to solve resident's issues.

Promote volunteering between residents, business, and nonprofits.

- Maintenance and promotion of online-database of activities and resources.
- Advertise volunteer opportunities throughout the community.

Welcoming newcomers and new immigrants to the County

- Provides courses to aid in the integration of new immigrants such as citizenship, English language training and job searching.
- Provides cultural and volunteering programming.
- Provides information and referrals resources to new immigrants.

- Headline Performance Measures**
- Overall satisfaction with the Office of Community Partnerships' provision of information, access and support to ethnic, multilingual and multicultural communities, nonprofits, and faith-based organizations.

- Overall change in score of participants in Gilchrist language classes.
